

CAPRI TOILET CHAIR

- **Stool or armchair version**
- **Versatile: use with potty or over the toilet**
- **Optional comfort cushions in the accessories section**
- **Supplied with seat cover**

The Capri toilet seats can be used as a toilet with a removable potty or as a high seat over an existing toilet, due to its height adjustment. They have a wide anatomically drilled seat, wide armrests and, in the chair version, a comfortable backrest. Lightweight and easy to transport. Easy to clean with the usual detergents. Assembled without tools.

Overall dimensions: width 56 x depth 48 cm.
 Back height (chair) 36 cm.
 Seat dimensions : width 50 x depth 40 x height 39 to 54 cm.
 Height of armrests 23 cm.
 Weight 2,4 kg (stool) or 3,1 kg (armchair).
 Resistance : 150 kg
 Made in Europe.
