

Bed Rail

- 815028
(On restock - Available from 10/10/2024)

- **Ergonomic shape of the handle**

Our bed support bar can be placed on slatted and box springs. It can be transported flat and can easily be taken with you when you travel. It is simply placed between the slatted base and the mattress and, thanks to its anti-slip pads, it stays firmly in place.

Stand: 70 x 58 cm.

Hand holder: width 12 x height 53 cm.

Strength: 127 kg.
