

## Prima suction cup feet

## • Easily secure all seats to the floor

These suction cup feet secure the legs of chairs, toilet frames and other products with legs. Simply choose the seal for each leg with a diameter of 19 mm, 22 mm or 25 mm. After installation, simply turn the base a quarter turn to create suction. The feet can be adjusted to an angle of 95° on one side and 45° on the other, limiting detachment with small movements.

To be fixed to a flat, smooth surface such as tiles. Set of 4.

Diameter : 8.5 cm.
