

Rechargeable nightlight

- 819322

- **Always at hand flashlight**
- **Lights up as a nightlight thanks to a darkness sensor**

Ideal at night, this torch/nightlight set will secure all your night-time movements. The nightlight is equipped with a darkness sensor. A soft, warm light comes on when ambient light is low. The base of the nightlight holds a torch that can be charged by induction. As soon as you remove the torch from the base, it switches on automatically. A button allows you to turn it off and on again, or even trigger an SOS signal if needed. Colour: white.
Dimensions: 16.5 x 10 x 4.8 cm.
