- Taupe colour - 861079.TAUPE
- Nordic - 861079.NORDIC

- **Ultra-soft fleece fabric**
- **Large size : 180 x 130 cm**

Heated fleece blankets are an effective way to keep elderly people warm when they are lying down. The remote control with illuminated indicators allows the user to choose between six temperature settings to suit their preferences and the time of day Automatic shut-off after 3 hours. The cable is removable so that the blanket can be machine washed at 30°C. Choose between two soft microfibres in taupe or dark grey, or opt for the Nordic model, made from high-quality fabric that is incredibly soft and lint-free.

Power : 100W.
3-year warranty.
Weight : 1895g or 2000g for the Nordic model.

Variantes :
- Grey
- Taupe colour
- Nordic
