

HEATED FLEECE BLANKET

- White - 861079.BLANC

- Taupe colour - 861079.TAUPE

- Nordic - 861079.NORDIC

- Ultra-soft fleece fabric
- Large size 180 x 130 cm

The heated fleece blankets are an effective way to warm up elderly people in a static position. With the illuminated remote control, you can choose between 6 temperature levels, depending on your needs and the time of day. Automatic switch-off after 3 hours. The cable is removable so that the blanket can be machine washed at 30°C.

You can choose between 2 soft microfibres in white or taupe, but you can also choose the Nordic model, made of a high quality material, incredibly soft and lint-free. Power 100W. 3 year warranty. Weight 1895g or 2000g for the Nordic.
