

Myst reclining armchair

- Fabric - 821160.TISSU
- Leather - 821160.CUIR

- **330° swivel frame**
- **Forward and backward adjustable headrest**
- **Integrated side control**

Our lift chair will look great in any home, with its distinctive design and premium features. It is equipped with 2 motors: one motor for raising and relaxing, and the second motor for adjusting the backrest. The armchair swivels a full 330° when in the sitting or reclining position, but locks upright when rising.

Lift function with progressive extension of the legrest, relax function with different inclinations. Manual adjustment of the headrest. Practical integrated side control with USB socket.

Its wrap-around shape ensures excellent back support and exceptional comfort.

Round chrome base.

Battery option: the chair is supplied with a mains plug. It is compatible with the battery option, available separately.

This battery makes the chair self-sufficient, simply by placing it at the back of the chair.

A choice of 2 covers:

High-quality, abrasion-resistant grey fabric.

Leather + TPU macchiato colour (the leather is positioned on all contact surfaces: back, seat and armrests).

Seat foam density: 35

Back and armrest foam density: 30

Overall dimensions: W 80 x D 89 x H 113 cm.

Weight 59 kg.

Seat dimensions: width 51 x depth 51 x height 51 cm.

Resistance : 130kg.
