This belt keeps a patient lying down and prevents them from detaching themselves. The set includes a strap that attaches to the bed and another part that wraps around the patient's chest.
The system has been carefully designed for comfort, allowing the patient to turn freely to the right or left during the night.
Comfortable retention belt with safety buckles. The buckles are unlocked using a magnet supplied.

Padded, ventilated fabric, washable at 30°C.
For a 90 cm bed.

3 sizes available depending on waist circumference :
Size S (60 to 90 cm)
Size M (75 to 120 cm)
Size L (105 to 145 cm).
