(On restock - Available from 22/04/2025)

- L - 829129.L

- **Comfortable restraint with safety buckles**
- **Padded, breathable fabric**
- **3 sizes available**

This belt can be used to maintain a patient in a lying position without the risk of the patient detaching themselves. The system consists of a strap that can be fixed around the bed and another strap that wraps around the patient's trunk. The system has been designed for comfort, leaving the patient free to turn left or right during the night. Comfortable restraint with safety buckles. The buckles are unlocked using a magnet which is supplied.

Padded, ventilated fabric, washable at 30°C.
For a 90 cm bed.

3 sizes available depending on waist size: size S (60 to 90 cm) size M (75 to 120 cm) and size L (105 to 145 cm).
