

Half-moon cushion

- 829140

- **Adapts to body shape**
- **Better air circulation**

Our new range of positioning cushions is made from polystyrene microbeads for very precise positioning in bed or in an armchair.

Bead diameters from +/- 0.5 mm to +/- 1.5 mm. Density 25g / L.

180g polyurethane-coated bi-elastic polyester cover. Oeko Tex guarantee. Waterproof to 2000 mm. Crib 5 fire rating. Ventilation 400 g/m²/24h.

Do not machine wash, clean and decontaminate with a non-chlorinated bactericide.

Non-detachable model. Green colour.
