

Linido toilet grab rail

- 60 cm - 815221

- 80 cm - 815222

- **Locking system in upright position**

The Linido folding grab bar not only provides support for standing up and sitting down from a toilet or shower seat, it can also be used for lateral transfers. When the bar is raised, it locks automatically. It will not fall down automatically.

2 lengths and options available. White colour.

Dimensions of bracket to be fixed: width 11 x height 25 cm.
Overall depth when raised: 21.5 cm.
