# Stabilicane walking stick

- Blue - 816200.BLEU

- **Incredible stability**
- **Unique design for dynamic walking**

The Stabilicane walking stick features a revolutionary stabilizing tip. This tip rotates at 360°, providing a very dynamic and secure walking experience. When a user puts it down, the walking stick stands upright on its own, with extraordinary stability. It is foldable. The ergonomic, flexible dual-material handle is very comfortable.

Available in 4 colors : black, blue, red, or purple.

Lightweight and durable aluminum frame.
Height adjustable from 77 to 95 cm.
Base diameter : 9 cm.
Weight : 400 g.
Maximum user weight : 150 kg.

**Variantes** :
- Blue
- Black
- Red
- Violet
