Illuminated desk lamp

- 819233

- **High-quality optical glass lens**

The arm of this desk lamp can be tilted to suit the user's needs. The large 10 cm diameter lens is made of optical glass with 2x magnification and a 4x inclusion.
For optimal comfort, 40 LEDs surround the lens and diffuse a very pleasant white light.

Dimensions when unfolded : 15 x 17.6 x 30 cm.
Mains powered.
