

Illuminated desk lamp

- 819233

- **High-quality optical glass lens**

The desk lamp's arm tilts to adapt to your needs. The large 10 cm diameter lens is made of optical glass with a x2 magnification and a x4 inclusion. For optimum comfort, 40 LEDs surround the lens and emit a pleasant white light.

Unfolded dimensions: 15 x 17.6 x 30 cm.
Mains powered.
