Bed exit alarm mat

- 80 x 40 cm - 819241

- 100 x 50 cm - 819236

- **Alarm to alert when a person gets out of bed**
- **Ideal for elderly and dependent people as well as babies**
- **Simply place under any carpet**

This mat is an effective solution for remote monitoring of elderly or dependent people (Alzheimer's, sleepwalking, etc.). The receiver triggers an alarm as soon as the person steps on the mat, even if it is covered by a carpet. The receiver can be up to 50 metres away from the mat. The alarm has a silent mode with flashing LEDs.
It can be combined with an optional call button so that the carer can be called without having to get out of bed.

Made in France.
The alarm mat is non-slip and only 1 mm thick.
Two sizes available : 80 x 40 cm and 100 x 50 cm.
Alarm volume : 4 levels between 50 and 80 decibels.
