Moovy adjustable toilet / shower transfer chair

- 822052
(On restock - Available from 20/01/2027)

- **Version with height adjustment by hand crank**
- **The footrest adjusts to the height of the seat**

The height adjustment feature on our Moovy makes it easy to use with a bed that cannot be adjusted in height, as the chair can be raised to the same height as the mattress. The height is adjusted using the side crank mechanism. This folding crank mechanism has a gear system, allowing the chair to be raised and lowered effortlessly.
The chair has foldaway handles at the front and four wheels with brakes (non-swivel rear wheels). It also has a double footrest that lifts with the seat during height adjustment. It closes with a latch and a belt buckle at the back.
Supplied with removable potty with support, safety strap and comfortable padded seat cushion.
