

Aston Tilt Pro Shower chair

- **Tilting chair suitable for small institutional use**
- **Equipped with 2 stainless steel jacks**

Our Aston Tilt showerchair allows users to sit comfortably in a relaxed position when showering. The safe tilting mechanism is operated from the back of the chair. The movement is supported by 2 100% stainless steel side actuators, guaranteeing excellent stability in humid conditions.

The height of the chair can be adjusted to 3 positions to suit the needs of accompanying persons. The wheelchair-style footrests are retractable, removable and height-adjustable. They are also equipped with a rear stopper to hold the user's feet in place. A calf support is supplied, as is a potty with a removable lid. The comfortable, waterproof foam headrest is adjustable in height and depth. Fold-up armrests.
