

Kanjo bath lift

- 822187

With the Kanjo bath lift, the user will be able to sit comfortably and enjoy a relaxing and safe bath. With its waterproof, floating remote control, the user can lower and raise the lift gently. When in the raised position, the seat flaps automatically fold up over the sides of the bath, making it easy for the user to get in and out of the seat.

During the descent, the backrest tilts to a 40° reclining position.

Padded seat and backrest made of waterproof, washable foam.

Lithium-ion battery 14.48 V 2150 mAh, charges in 1 hour.
