Height adjustable washbasin with mirroir

- 822236

- **Self-supporting unit for quick installation**
- **Washbasin height adjustable from 71 to 91 cm**
- **Illuminates automatically on hand movement**

This unit provides wheelchair users with a solution for bathing at a comfortable height. The two-button side control allows them to adjust the height of the washbasin and the entire unit as required. The set consists of an ergonomically shaped washbasin, a large illuminated mirror, two side grab rails for support and a chrome-plated stainless steel single-lever tap. The drain can be operated with one hand.

The illuminated mirror displays the time and room temperature. It can be lit in three different colours with adjustable intensity. The light and colour can be switched on and off by a simple hand movement close to the mirror.
It has a wall mounting frame for added security. Supplied with water supply and drain hoses.
Mains connection (2 plugs).

Mirror dimensions : width 75 x height 80 cm.
Washbasin dimensions : width 75 (internal 50) x depth 55 (internal 40 cm) x height 71 to 91 cm.
Height of grab bars : 79 to 99 cm.
Base dimensions : width 69 x depth 62 cm.
Overall depth 62 cm.
