

Aston Shower /WC Chair Large Wheels

- 822253
(On restock - Available from 30/10/2024)

- **Multi-purpose toilet/shower use**
- **Anti-corrosion painted aluminium structure**
- **Soft and comfortable seat, backrest and armrests**
- **Large wheels version**

This chair is the already-equipped version of the [Aston Shower / WC Chair Large Wheels](#) with 24-inch wheels.

It provides exactly the same functionality, comfort and quality for your patient's shower. It can be used in both shower and toilet versions, thanks to its equipment. It features all the advances in terms of manoeuvrability and comfort: 2 multi-directional wheels with brakes, 2 large wheels with handrails, flexible armrests that can be raised easily, a double footrest that can be raised, retracted, removed and height-adjusted, and a flexible seat with a removable interior for toilet use. The seat and backrest are made of high-density foam that is dimensionally stable, waterproof and disinfectable. The large-capacity bucket (5 litres) with lid is removable from the back. The backrest can be removed for easy transport.

24-inch polypropylene wheels with solid tyres.

Supplied with parking brakes.

Anti-corrosion painted aluminium structure.
