

## Murano toilet chair

- Standard - 811024
- Adjustable - 811025

- A comfortable and economical toilet chair
- Fixed or adjustable model
- [XL version](#)

Quantitative offer from 12 on fixed model valid until 23/05/2025 (exclusive to retail stores)

The Murano toilet chair has a perforated seat and a potty with a removable lid, so it can be used independently as a toilet. It has a second solid seat that covers the perforated seat. The perforated seat can be raised and removed, and the second seat is also removable. It has soft, comfortable PU armrests and a high backrest for extra support. 2 models available: fixed height and adjustable height. Also available in [XL version](#) (51 cm wide seat).

Dark blue powder-coated steel frame.  
Foam seat with PVC upholstery.
