

Murano XL toilet chair

- 811035
(On restock - Available from 25/06/2025)

- **A comfortable and economical toilet chair**

The Murano toilet chair has a perforated seat and a potty with a removable lid, so it can be used independently as a toilet. It has a second solid seat that covers the perforated seat. The perforated seat can be raised and removed, and the second seat is also removable. It has soft, comfortable PU armrests and a high backrest for extra support.

Dark blue powder-coated steel frame.

Foam seat with PVC upholstery.

Overall dimensions: width 68.5/71 x depth 53/61 x height 82 to 98 cm.

Seat dimensions: width 51 x depth 44 x height. 44 to 60 cm (perforated seat) and 49 to 65 cm (removable seat).

Width between armrests 58 cm.

Weight: 10.5 kg.

Maximum user weight: 220 kg
