Add a touch of elegance to your rollator with the Saljol designer bag, created in collaboration with JOST, a renowned name in leather goods. Much more than just an accessory, it combines durability with sophistication and is suitable for all uses: detachable in a single movement, it can also be worn as a shoulder bag thanks to its comfortable strap. Water-repellent and featuring numerous interior and exterior storage compartments, it protects your belongings day in, day out. Retains its shape, whether full or empty. Water-repellent front-opening flap, with a transparent compartment (for a smartphone or name tag). Numerous internal and external compartments, light-coloured lining. Secure zipped pocket at the back for valuables, facing the user. Elasticated mesh side pockets (water bottle).

Load capacity up to 5 kg.
