

Mambo Max ergonomic stool

- 836103

The Mambo Max stool is the ideal solution for improving your sitting and working comfort. This chair allows users to sit comfortably and actively throughout the day, while the movement induced by the instability helps to improve blood circulation and posture. The ergonomic back support helps to align the spine, strengthen the trunk and correct sitting posture. Stable 360° swivel base. Black support, grey ball.

Seat height adjustable from 51 to 58 cm.
Maximum user weight: 127 kg.
