EMS slim massage mat

- 838180

- **An acupuncturist at home!**

This massage mat uses EMS (SNEM) technology and pressure points to relax and strengthen the muscles of the feet, calves and legs. EMS stimulation is a controlled electrical impulse directed at deep nerve or muscle tissue. Six modes allow different pressure points on the arch of the foot to be stimulated in different ways. Totally painless, it adapts to the intensity level required with 9 settings. Remote control operated. Folding and lightweight (173 g), it can be taken anywhere. Powered by a 240 mAh lithium battery and a rechargeable 150 mAh battery. USB charging cable included.

Battery life : 2 hours.
Dimensions : 29 x 32 x 1.7 cm.

Date d'impression : 31/10/2026
