ROBOOTER X40 leisure chair

- 875040

- **Front multi-directional wheels**
- **Remote control via mobile app**

The Robooter X40 is a stylish, foldable electric wheelchair designed for both indoor and outdoor use. Its maneuverability is exceptional: it can turn on the spot with its two omnidirectional front wheels, making it highly agile even in tight spaces. The joystick provides smooth driving, with controlled acceleration and deceleration on sharp turns. The X40 can also be operated via the Robooter app. The user will appreciate its one-touch folding mechanism, ergonomic and removable seat cushion, and large flip-up footplate. The omnidirectional front wheels allow smooth navigation across various surfaces. Removable battery with fast charging. Seating angle 6° for maximum comfort.

Average range : 25 km
Maximum speed : 6 km/h
Maximum obstacle : 6 cm
Maximum climbing angle : 10°
Chassis height : 7 cm
Turning radius : 76 cm
Seat height : 57,5 cm
Seat width : 42 cm
