

Pedicure rasp

- 115082

(On restock - Available from 18/06/2026)

- **Prevents bending or twisting**

No need to bend over or raise the foot to smooth the soles of the feet—simply place the foot on the device and move it back and forth. The polishing roller effectively removes corns and calluses. Foot-activated on/off button. Equipped with 4 suction cups to hold it firmly in place. Supplied with an extra polishing roller. Operates with 3 AA batteries (not included).

Dimensions: 25 × 10 × 6 cm.

Weight: 350 g.
