Smart Toilet Armrests

- 811197

- **Stable and secure**
- **Side safety supports**

Stable and secure armrests that make sitting down and standing up easier, without the feeling of a bulky structure around the toilet. Its two side supports allow it to be positioned flush against the toilet bowl, preventing any movement. Height adjustable using large knobs.

Dimensions: W 64.5 × D 48 × H 62–74.5 cm (6 positions).
Weight: 7.4 kg
Width between armrests: 51 cm
Armrest length: 46 cm
Steel frame with PE plastic armrests.
Maximum user weight : 100 kg
