Ultra non-slip adhesive pad

- 813100

- **A revolutionary non-slip!**
- **Permanent adhesive**
- **Ideal for cups, glasses, and tumblers**

This new non-slip system works through micro-suction. It is revolutionary because the glass or plate truly adheres to the surface, allowing it to be positioned at a 180° angle without falling. Color: black. Dishwasher safe.

This pad adheres permanently to a surface due to the adhesive on one side. Ideal for bed tables.
Diameter: 8 cm.
