Ultra non-slip coaster

- 813119

- **A revolutionary non-slip!**
- **Repositionable at will**
- **Ideal for cups, glasses, and tumblers**

This new non-slip system works through micro-suction. It is revolutionary because the glass or plate truly adheres to the surface, allowing it to be positioned at a 180° angle without falling. Color: black. Dishwasher safe.

Two non-slip sides allow it to be repositioned as desired on any surface. Ideal for kitchen tables.
Diameter: 14 cm.
