NEO FOLD rollator

- S - Olive - 826316VERTS

- **A brand new model with an automatic folding system**
- **Compact design for easy transport**
- **Height-adjustable backrest**

This rollator allows for both standard lateral folding and stroller-style folding. The stroller-style fold is automatically engaged once the rollator is already folded laterally. If it is not fully retracted, the second fold is disabled to ensure user safety. Height adjustment is indexed for secure positioning. Supplied with a premium carrying bag with magnetic flap and a walking stick holder. Two sizes available to suit all users.

Overall dimensions: W 60 × D 65.5 × H (handles) 74–87 cm (S) or 88–102 cm (L) in 6 positions.
Seat dimensions: W 43.5 × D 21 × H 50 cm (S) or 62 cm (L).
Large TPR wheels: front 25 cm, rear 20 cm.
Weight: 8.2 kg.
Maximum user weight : 136 kg.
