CAVALETTA Walker

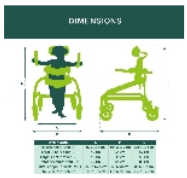

- S - 826318S
- M - 826318M
- L - 826318L

- **Product delivered complete, with all options**

The Cavaletta Walker grows with the child due to its adjustable frame. Each size features multiple rear frame adjustments: Size S – 5 settings, Size M – 6 settings, Size L – 8 settings. It comes with 2 soft forearm supports, a leg separator bar, a high backrest adjustable in depth, a height-adjustable seat, a U-shaped upper body support harness, and a support sling. The included headrest is adjustable in depth, height, tilt, and laterally. Front wheels feature multi-directional or straight-locked rolling. Rear wheels also offer multi-directional or straight-locked rolling, plus adjustable braking and slowdown functions. Color: white.
