

Heated foot massager

- 861251

- **2 in 1: Massages and warms to help you relax completely**

Inspired by the Shiatsu massage technique, the 2 massage heads, each equipped with 6 nodes, deeply massage each foot. The circular movement of the heads provides immediate well-being.. Select the rotation direction and choose from the 3 available massage speeds. For even greater relaxation, activate the heating function combined with the massage!

Dimensions: 33 × 22 × 10.5 cm.

Weight: 1.1 kg.

Mains powered (cable included).
