

Swivel car cushion

- Padded - 815098

- Flexible - 815016

- Practical device for getting in and out of the car with ease
- Model with or without padding

This swivel disc for cars is very practical for turning effortlessly in a seat. The cushion allows the user to get in and out with much less effort by turning on itself. The swivel cushion for cars has a flexible structure (2 cm thick) that can be kept in place throughout the journey. It does not raise the seat or affect comfort.

Diameter : 39 cm.
