

Folding washbasin

- 812016

- **For the child's bathing toilet**

This wall-mounted folding washstand can be fitted over your existing bathtub to make it easier to wash children and teenagers. It also serves as a changing table for disabled children. Steel structure with epoxy treatment. Mattress in rot-proof nylon, washable at 120°C. Legs are available separately: you can choose long legs to be placed on the floor or legs specially designed to be placed on the edges of the bathtub.

Dimensions: Length 157 x width 60 cm. Depth when folded 5 cm.

Strength 100 kg.
