

Pair of legs for bathtub 36 cm high

This wall-mounted folding top can be fitted over your existing bath to make it easier to wash children and teenagers.

Epoxy treated steel structure.

Mattress in rot-proof nylon, washable at 120°C.

The legs are available separately: you can choose long legs to be placed on the floor or legs specially designed to be placed on the edges of the bathtub.

Dimensions: Length 157 x width 60 cm.

Depth when folded 5 cm.
