

Straight plate rim

- 813029

- **Dishwasher safe**
- **Fits all plates with a diameter of 23 to 28 cm**

This 2.5 cm straight plate rim fits onto the edge of plates to make eating easier, especially for people with arthritis or limited strength. It allows users to eat with one hand without spillages.

Dishwasher safe.

Fits all plates with a diameter of 23 to 28 cm.
